

The Circular Economy Package

VISION:

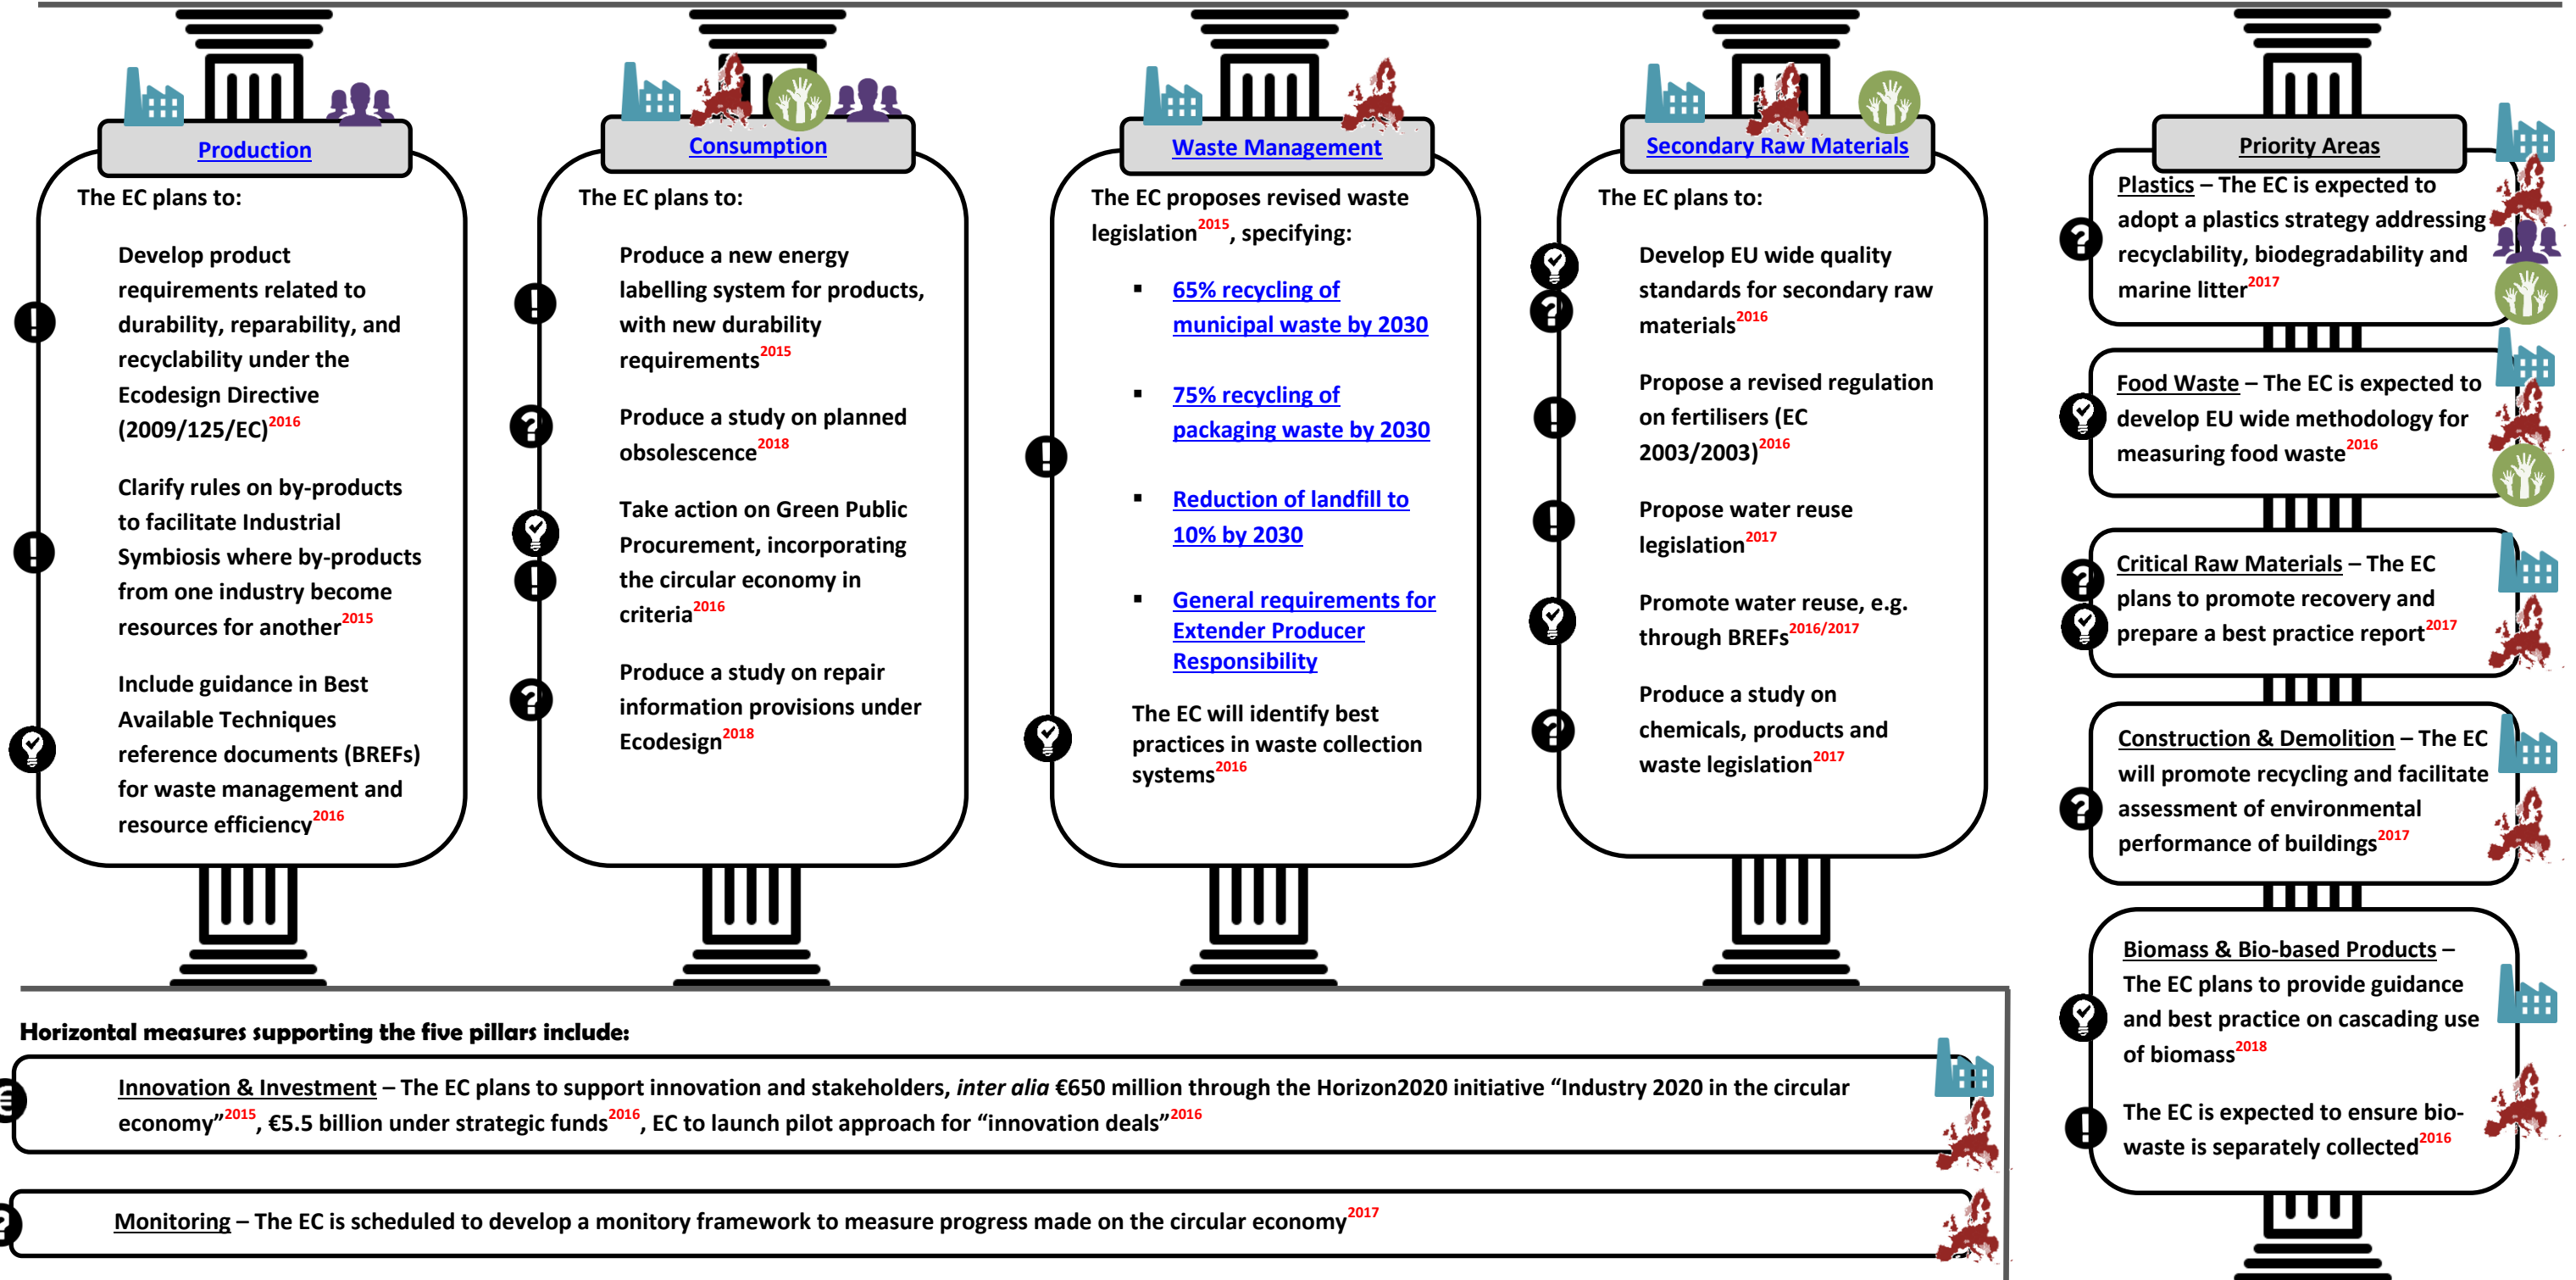

Develop a sustainable, low carbon, resource efficient and competitive economy.

Achieve the U.N. Sustainable Development Goals (SDGs) by 2030, notably goal 12 on sustainable consumption & production patterns.

Disclaimer: This visual from CSR Europe reflects an interpretation of the new circular economy package, and does not engage with the European Commission.

The Circular Economy package consists of five broad pillars, with targeted actions per pillar. Symbols are used to designate what kind of actions is expected, as well as which actors are primarily affected (see legend below).

Type of action:

- = CONSULTATION/STUDY
- = MANDATORY/LEGISLATIVE
- = BEST PRACTICE & GUIDANCE
- = FUNDING

Main actors impacted:

- = COMPANIES
- = CITIZENS/CONSUMERS
- = MEMBER STATES
- = CIVIL SOCIETY ORGANISATIONS

Who is in the lead:
